### TESTIMONIAL

What more can we say ?? Riviera Syndication really is family friendly boating at its best! We know our boat is looked after by an experienced, friendly team who always give 100%, are passionate about boating and put the owner's needs first.

Our entire Riviera Syndication experience has been worry free and our boat was extremely well equipped from day one. We also thoroughly enjoy the social activities and events arranged by Sharon and her team that cater to the entire family.

The advantage of sharing the cost of maintenance, marina fees and berthing etc, is also a positive, as is the ease of the online booking system.

We look forward to many years of boating pleasure with a company that offers a quality product, exceptional service and would be happy to discuss the benefits of boat ownership with Riviera Syndication should the need arise.
