RIVIERA 5000 SPORT YACHT

The obvious choice for so many reasons including joystick manoeuvrability, diesel economy, reliability and value. The Riviera 5000 Sport Yacht has inherited the pedigree of Riviera's award winning designs.

This is an entirely new style of boat that has been designed to reflect the global trend of luxury, combined with easy living. Your Riviera 5000 Sport Yacht is equipped with twin Zeus pod drives and an amazing joy stick control system making berthing a stress free experience.

The Riviera 5000 Sport Yacht also offers three cabins with seven berths, air conditioning, and an entertainment system that includes stereo, CD/DVD and a 26" HDTV. It also has a fully equipped galley, comfortable seating in the cockpit as well as sunpads on the foredeck.

This boat benefits from Riviera Syndication's customised package of inclusions, everything from bedding, linen, towels, tender, outboard, icemaker, BBQ and much more. Powered by the amazing Zeus pod drives, the boat also boasts 240V power via an extremely quiet onboard generator and a colour GPS/chart plotter navigation system for your peace of mind.

Access to your boat is via an online reservation system which allows each owner equal access to the boat. Holidays and other prime times are evenly balanced between all owners. Each owner is allocated a minimum of 33 days each year with stand by days available over and above your 33 day allocation. We invite your inspection of this magnificent sports cruiser and everything it has to offer.

THE PROGRAM

Riviera Syndication is about convenience and relaxation. Each owner is allocated 33 days per year (plus stand-by days) use of their boat via an online booking system. This allows owners the flexibility to choose when you use your boat and has been designed to allow all owners an equal share of popular times. The syndicate operates for a period of three years at which time the boat is sold with each owner receiving their share of the proceeds. The ownership regime ensures that your boat is treated with care.

RUSHCUTTERS BAY, SYDNEY HARBOUR

The moment you step aboard your relaxation has begun. The relaxed atmosphere of the region with its many restaurants is first class. TESTIMONIAL

My business partner and I had been talking about getting a boat for a number of years but was always met with the comments of "you do know they are a lot of work to look after" or "you know the best boat is somebody else's" or "do you have a mooring" which always stopped us from taking that final step of investing into a boat. It was a chance meeting with Sharon Russell at the Sydney Boat Show in 2009 that allowed us to find that you can enjoy a boat without all the hassles and costs associated with outright ownership. Furthermore, with the technology that was now available in the larger boats, maneuvering these 50 plus footers was so simple. So simple in fact that I mastered the Riviera 5000 before I had even mastered the tender that belonged to it. This is particularly significant as I had no real prior experience skippering any type of boat.

In plain English, becoming a shareholder in a Riviera Syndication boat has allowed us to enjoy all the benefits of owning a boat without any of the hassle. Friends are always curious as to how it works and I use the analogy of "it's like a cross between a hire car and a hotel room". You arrive and everything is ready to go. Just bring your food, clothes, drinks, friends and or family and enjoy. When you come back, tidy up, take your personal belongings with you including any rubbish from your time out and lock up. It's that simple. If you have ever considered investing into a boat, a Riviera Syndication boat is the best by far. Not only is the hassle taken out but as you are one of a number of shareholders you get into a boat far bigger than you may otherwise have done if purchasing it by yourself.

FEATURES, COSTS AND EXPRESSION OF INTEREST

FEATURES: We have prepared our new Riviera 5000 Sport Yacht with the latest equipment and options available to make your boating experience as enjoyable and safe as possible. We have listed below the main items and their benefits.

- **ENGINES:** Twin Zeus pod drives, featuring electronic joystick control and Sky Hook vessel positioning.
- **JOYSTICK DOCKING:** Coupled to the Zeus pod drive is the revolutionary joystick controller. This Joystick controller transforms the task of berthing a large boat like this into a controlled and safe manoeuvre by allowing the boat to be moved sideways or diagonally with more precision than a bow and stern thruster.
- **GENERATOR:** Onan 11kw to provide 240V power throughout the boat.
- **AIR CONDITIONING:** Reverse cycle air-conditioning in saloon and cabins for comfortable day/overnighting in all conditions.
- **SHOWERS & TOILET:** There are two indoor and one outdoor hot and cold showers and a vacuflush toilet system in the two toilets minimising the risk of blockages and odours.
- **REAR FACING COCKPIT LOUNGE:** Provides additional undercover seating in the cockpit.
- **TRAINING, BOAT HANDLING & NAVIGATION:** Each owner is independently trained in all aspects of the use of their boat over a three day period. Day one is for boat familiarisation and manoeuvring in the marina. Day two is a full days boating, exploring some of the wonders of Sydney Harbours waterways and learning boat handling, anchoring, local knowledge and navigation. Day three is for you to practice what you have been taught during days one and two. If you require further training or a skipper for your next journey, we can arrange that for you.

- **TV / DVD's:** Three TV/DVD's are provided in the cabins and saloon.
- **SLEEPING ACCOMMODATION:** Seven berths are provided in three cabins. The size and placement of the Zeus drives allows for a generous sized aft cabin with a double & single berth. The forward cabin features a double berth with ensuite and the starboard cabin has two bunks.
- **TEAK LAID COCKPIT FLOOR AND DUCKBOARD:** For durability and style.
- **DISHWASHER:** This is a relatively new addition in boats and is a big winner with the whole family.
- **ICE MAKER & COCKPIT FRIDGE:** Essential equipment.
- **COCKPIT AWNING:** Providing all weather protection in the cockpit.
- **FOREDECK SUNPADS:** Sunbrella upholstered rear lounge and sunpads.
- **RAYMARINE GPS:** Colour large screen GPS with many navigation features, depth sounder and fish finder.
- **UNDERWATER LIGHTS:** For night-time atmosphere.
- **COMMISSIONING:** All Riviera Boats are sea trialled prior to factory delivery to ensure they are performing to manufacturers specifications. Riviera Syndication takes care of the finer details of delivery including the detailed touches that will become familiar to you as a Riviera Syndication owner.
- **ADDITIONAL FEATURES:** There are many additional inclusions and features that make up the Riviera Syndication experience including a three day training program for each owner, a full compliment of safety equipment, Riviera Syndication galleyware package, fresh sheets, towels etc. each time you board, snorkelling equipment and fixed docking lines to make berthing easy.
- **SAFETY:** Nothing is overlooked when it comes to safety. Quality adult and childrens life jackets, the latest model registered EPIRB for advising authorities of your location in the event of an emergency, water tight bulkhead forward, VHF radio, safety monitoring panel and fire suppression system in the engine room is all included. For owners convenience we have also included wet weather gear, first aid kit, binoculars and a set of navigation charts and books.
